### **President's Corner**

June is busting out all over! If you are old like me, you might remember this Rodgers & Hammerstein song title!

A big thank you to the Social Committee volunteers for hosting a great Memorial Day cookout. About 45 of you came to the cookout and had lots of good food to eat. I heard plenty of positive comments. I'm sorry if you missed it. Don't miss the Pancake Breakfast this month!

Caulking and lentil painting continues and plans for when and where sodding some areas of the Village will be decided at this month's board meeting. The other issue that popped back up is the application for a Conditional Use Permit for a dog boarding and grooming business. We thought this was over when the application was disapproved in March. Now, here we go again.

I would love to see more volunteers for the Social, Public Safety, and Gardening Committees. It's not too early to think about serving a term on the Board of Directors. There are four board members whose terms are ending this year. Later in the year we'll be looking for nominees. How about you?

Please contact me if you have interest in any volunteer opening.
