All women are encouraged (not required) to share a poem, bible scripture, testimony, or simply state one thing they are grateful for in a supportive and uplifting environment. Light refreshments will be served.

Committee Spotlight!

In 2024 the WOV Board implemented several committees to help with the care and upkeep of our Village. These committees are made up of your friends and neighbors. Make sure to thank them for their time and commitment to making White Oak Village a better place to live!

Maintenance Committee – The purpose of the Maintenance Committee is to assist and advise the WOV Board of Directors in planning the maintenance schedule of the clubhouse and the exterior components of the Village such as driveways, retaining walls, and other common area assets. They began their work by designating five separate sections of the Village, followed by a thorough inspection of Section 1 and compiling a list of maintenance items observed. Work is underway on addressing those items. Maintenance Committee members include Don Mueller, Jim Brutsman and Jeff Fox. The Board member liaison is Dennis McDonald.

Gardening Committee: Check out the herb garden next to the clubhouse patio! The Committee worked hard and it is flourishing!!

The **Safety Committee** would like to remind everyone that the speed limit in White Oak Village is 25 mph. Please drive safely!

The **Social Committee** would like to request that residents please be respectful and cooperative with the volunteers who work hard on potluck events. While they are cleaning the clubhouse and putting away tables, kindly move your conversation to the patio or fireplace area.

WOV Property Rentals

A second, more in-depth survey has been mailed to WOV owners to get a more specific understanding of owner preferences toward rental properties in the Village. Please return your survey by July 15 by either placing it in the lockbox in the clubhouse or mailing by July 10.
