Finch Feeders

You may notice that several residents in White Oak Village have finch feeders hanging from shepherd's hooks. Remember, if you want a finch feeder, you must first submit a WAIVER request to the Board for approval. There are three approved types of feeders allowed. Contact Gretchen Soards for information on approved feeders before submitting a waiver.

Reminders

Trash pick-up will be delayed one day during the week of Labor Day.

WOV governing documents are located in 3 places: your owner's manual, the WOV website (shown above), and HOA Life.
