President's Corner

Here we are starting the final quarter of 2025. And let me just say how grateful I am for our board members. Each and every board member has been very busy. We all owe these volunteers our gratitude. By the end of the year this board will have invested no less than a combined total of 5,000 hours of their time serving White Oak Village.

WOV also has many committee volunteers and others who have donated their personal time to a variety of projects and endeavors to enhance the WOV community and quality of life. Some of these people are known and recognized and others fly under the radar. They just jump in and give a helping hand without any fanfare. We truly have a great community!

How to Contact Dennis

Annual Meeting

The **WOV Annual Meeting** is 2:00 Saturday, October 25, at the Scott County Public Library. Please arrive 15 minutes early to check in. If you have not received the mailing with additional information, please contact any board member.

DON'T FORGET - A Candidate Meet & Greet is planned for Saturday, October 18, from 3:00 to 4:30 at the Clubhouse. This will be your only opportunity to meet and talk to candidates in person.

WOV Resident Directory

Several residents have expressed an interest in creating a directory of White Oak Village residents. We can do that with HOA Life! It provides us with the ability to opt in to a directory and share contact information with each other. Simply log in to your HOA Life Owner's Portal and click on "Your Information." Click the box that says "I want to share my information..." and "Update" at the bottom of the page. Then go back to your home page and click on "Owner Directory" to view a list of neighbors who have shared their information.

Reminders

Road closures: Acorn Path and Evergreen Path will be closed to ALL TRAFFIC October 2-3.

Fire hazard: Early autumn weather can include extended dry spells, warm temperatures, and windy days. These conditions make your mulch bed a tinder box that can easily catch fire, and this happened here recently. Although the local burn ban that was issued in September has been lifted, please do not bury cigarette butts in your mulch or throw them out your car window. They're not only a fire hazard, but they are also toxic to the environment.
